**Types of Licenses:**

**Company License**

Each business site must obtain a company license prior to doing business at the site. Each site is required to have a company representative unique to that site. The company representative is required to pass an examination prior to the issuance of the company license. The company license fee is \$130 for a one-year license. (Requires OAR, ORS, and NFPA 58)

**Master Fitter License**

Individuals who perform liquefied petroleum gas work and install liquefied petroleum gas tanks; repair equipment utilizing liquefied petroleum gas; connect or disconnect liquefied petroleum gas to tanks and other appliances; complete repairs on liquefied petroleum gas equipment or appliances; repair or remodel any piping or venting; or any installation, repair service, connection or disconnection of any liquefied petroleum gas appliance must obtain a master fitter's license. The individual is required to pass an examination prior to the issuance of the license and must be working for a licensed company. The master fitter license fee is \$60 for a two-year license. (Requires OAR, ORS, NFPA 54, and NFPA 58)

**HVAC (Heating, Venting and Air Conditioning) Fitter License**

Individuals who perform liquefied petroleum gas work on HVAC equipment, including hearth products, must obtain an HVAC fitter license. The individual is required to pass an examination prior to the issuance of the license and must be working for a licensed company. The HVAC fitter license fee is \$60 for a two-year license. (Requires OAR, ORS, NFPA 54, and NFPA 58)

**RV (Recreational Vehicles) Fitter License**

Individuals who perform liquefied petroleum gas work on recreational vehicles must obtain an RV fitter license. The individual is required to pass an examination prior to the issuance of the license and must be working for a licensed company. The RV fitter license fee is \$60 for a two-year license. Note: A license is not required for construction or warranty work for manufactured dwellings or recreational vehicles. (Requires OAR, ORS, NFPA 1192, and NFPA 58)

**IC (Internal Combustion) Fitter License**

Individuals who perform liquefied petroleum gas work on internal combustion engines of forklifts and vehicles must obtain an IC fitter license. The individual is required to pass an examination prior to the issuance of the license and must be working for a licensed company. The IC fitter license is \$60 for a two-year license. (Requires OAR, ORS, and NFPA 58)

**Truck Equipment Operator License**

Individuals who operate liquefied petroleum gas delivery equipment installed on a motorized vehicle must obtain a truck equipment operator license. The individual is required to pass an examination prior to the issuance of the license and must be working for a licensed company. The truck equipment operator license fee is \$60 for a two-year license. (Requires OAR, ORS, NFPA 54, and NFPA 58)
