3. Update the budget forms from your original application with actual revenues and expenses.
complete

4. How many jobs were created or retained by the project?

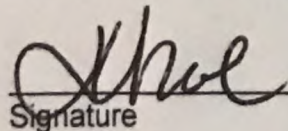

No Jobs have been created during this phase. Engineering was completed by a local engineering firm Precision Structural engineering. Job creation will occur when the project is complete.

5. How would you characterize and measure the economic impact of the grant?
see attached.

6. What are your suggestions to improve the grant process?

The grant process is straight forward. I do not have any suggestions.

By signing this you are agreeing that you have paid all bills accrued through this process; as well as agreeing that the Logo Usage Agreement is now terminated.
